CONVERSATION

Russell: What kind of music do you listen to?

Dan: I usually listen to pop because it is really catchy.

Russell: Really? I don't like pop, it's too repetitive. I usually listen to jazz.

Dan: That's cool! I listen to jazz sometimes, it's pretty timeless.

Russell: Yeah! Every song feels very original too. What other music do you listen to?

Dan: Hmm... I listen to hip-hop from time to time.

Russell: Oh, I never listen to hip-hop. What artist would you recommend?

Dan: I think Jay-Z is pretty good. Have you heard of him?

Russell: Yeah, I'll try listening to some of his music on my way to work tomorrow!
