### Clean Eating

The corona virus has affected how we dine at restaurants. Discuss the changes that have come in and what you think of them. Which of these changes are good? Which of them are bad?

There has also been an increase in food delivery services for example; UBER Eats, Have you ever used one of these services?

### Discussion

*When friends come to visit, what restaurant do you take them to?*

*Which restaurant do you prefer; family restaurants, high class dining, small restaurants.*
