13	captain		25	ladder	

Using 'play', 'go' or 'do' when talking about sport.

A: Are you going to play soccer this Saturday?

B: No, my team lost the last match and is out of the tournament. I'll go swimming instead.

A: I'm going to go running in the morning and then play baseball in the afternoon.

B: Did you play baseball in high school?

A: Actually I did kendo, but they both involve hitting with a type of bat.

B: Maybe I should try a traditional sport. I'd like to do sumo just for one day.

When talking about sports we use the verbs; play, go, do. What are the differences in the example sports above?

Study the examples above and fill in the blanks below.

I _____ volleyball on weekends.

My father _____ cycling every Thursday.

My sons _____ judo at school.

More difficult examples.

I like to _____ badminton in summer.

My work colleagues and I _____ bowling after work.

Discussion

Is motorsport a real sport?

Some people think motorsport isn't a real sport because there is a vehicle involved. Others argue that drivers have to be physically fit to control these vehicles.

HOMEWORK

Guess That Sport!

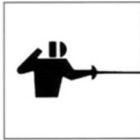

All sports need rules so that they can be enjoyed. Think of a sport and describe three rules of that sport. Read them out to the class as hints for them to guess what sport it is.

1: _____

2: _____

3: _____

Did you know pictograms were first used in the Olympics during the Tokyo 1964 Olympic Games? Design a pictogram as a final hint for the sport you have chosen above. Simple is best. DO NOT COPY FROM THE INTERNET!!
