

New Ways to Communicate 2021②B

Today, people have many chances to talk with foreigners. Now, electronic devices that translate languages are becoming more popular. Some hospitals are introducing such devices, and by doing so they are helping foreign patients speak with doctors more easily. However, while new technology is helping people communicate, it is still important that people take the time to try to learn a foreign language.

Your story should begin with this sentence

One evening, Mr. and Mrs. Fukuda were talking about traveling to France.
