### Debate: Dogs are better pets than cats.

Let's have a debate in class! In a debate we have to argue for or against a statement. Sometimes you have to debate for the side you do not agree with. Use the space below to plan your argument.

Points:

Other teams points - rebuttal

### Animal Guessing Game

1. One person thinks of an animal (but does not say it).
2. The other students take turns asking yes or no questions to guess what the animal is.
3. The person can only answer: "Yes", "No", or "Maybe."

Example questions: Is it a big animal?

Is it domesticated? Is it a carnivore?

Does it live in Japan? Does it have wings?

Can it swim?

### Discussion

*What is your favorite animal and why?*

*If you could be any animal for a day, which one would you choose and why?*

*If you could have any wild animal as a pet, which one would you choose and why?*

# HOMEWORK

*Fill in the blanks*

1. My cat will \_\_\_\_\_ loudly when it's relaxed or happy.
2. The tiger is a fierce \_\_\_\_\_, while the deer is its \_\_\_\_\_ in the food chain.  
Do you know any others?
3. Some animals, like bears, \_\_\_\_\_ during the winter months to conserve energy.  
What other animals do this?
4. Cows are \_\_\_\_\_, eating only plants, while lions are \_\_\_\_\_ and eat only meat.
5. Butterflies go through a full \_\_\_\_\_, starting as caterpillars and changing form completely.
6. Scientists believe that some animals display \_\_\_\_\_, helping others in their group even if it doesn't benefit themselves. Can you think of any examples?
7. In the fall, many birds begin their long \_\_\_\_\_ to warmer places.  
Do you know any other animals that do this?

migration

altruism

predator

hibernate

purr

prey

herbivores

carnivores

metamorphosis

## Imposter Game

*We are going to play a game using a tablet or smartphone. Your teacher will set this up.*
