Word Chain

The teacher will say one starting word. The first person says the first word they think of. The next person must then say a word connected to the word they just heard. We will go around the room, making a chain of words from person to person.

For Example: "Fall" → "Leaves" → "Green" → "Tree" ... and the chain continues!

The Rules:

1. Be Quick! (You have 3 seconds)
2. No Repeats!
3. One Word Only!
