13	styling		25	split ends	

Describe the hair cut you want!

Imagine you are at the barber or hair stylist and tell the staff what you want!

- **Tell them the style**
Tell them the name of your style. (Bob, bangs, Mohawk)
- **Add details**
Tell them details such as length and color. (eq. I want it short on the back and sides and long on top)
- **Use Simple Sentences**
You don't need to use difficult grammar. Just try your best to express your ideas clearly.

+ Hair related idioms!

Match the idiom to its meaning then discuss in class

- "Let your hair down" argue about small unimportant details
- "Bad hair day" feel very frustrated
- "tear your hair out" A day when everything goes wrong
- "Split hairs" Relax and enjoy yourself
